What makes Al Nur School Different?

Top Academic and Islamic Standards

Al Nur School uses a top quality accredited curriculum that meets Texas and National Standards. We have excellent Arabic, Quran, Islamic Studies, Character Education, and Quran Memorization programs with outstanding results.

Excellent Teachers

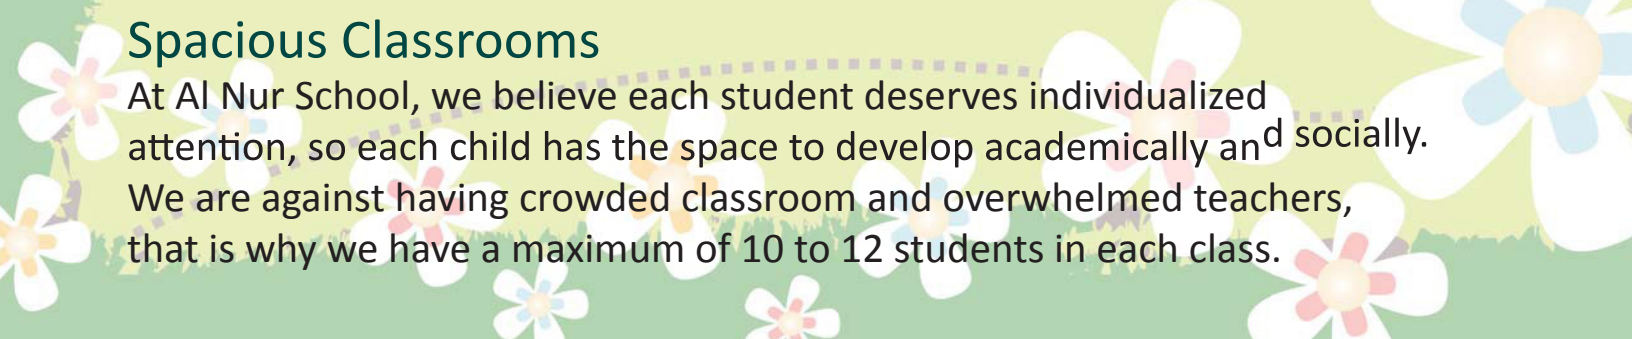

All of our teachers are handpicked to meet our top quality teaching standards. This is evident from our excellent STAAR Results and above grade level IOWA scores.

Nurturing Environment

We have a small family environment, so we are able to give more than enough love and attention that each child needs to thrive and develop his/her unique personality.

Spacious Classrooms

At Al Nur School, we believe each student deserves individualized attention, so each child has the space to develop academically and socially. We are against having crowded classroom and overwhelmed teachers, that is why we have a maximum of 10 to 12 students in each class.

**At Al Nur School, quality comes first.
The Choice is Clear. Isn't your Child worth it?
Come and See the Difference!!!**
